Product Name: WHEAT STARCH

Synonyms:

Company Identification: Fidelinka skrob d.o.o.

Čantavirski put 1
24000 Subotica
Serbia
Tel: +381 24 666 041
+381 24 666 039
Fax: +381 24 666 040

Emergency Telephone: +381 24 666 041

Section 2. Composition/ Information on Ingredients

Chemical Name: Starch

CAS nr: 9005-25-8

RTECS: GM5090000

Section 3. Hazards Identification

Physical State: Powder

Color: White

Odor: Odorless

Potential Acute Health Effects

Inhalation: May cause respiratory tract irritation.

Eye Contact: May cause temporary eye irritation.

Skin Contact: Slightly hazardous in case of skin contact.

Ingestion: Expected to be a low ingestion hazard.

Potential Chronic Health Effects

CARCINOGENIC EFFECTS: A4 (Not classifiable for human or animal) by ACGIH. MUTAGENIC EFFECTS: Not available.
TERATOGENIC EFFECTS: Not available. DEVELOPMENTAL TOXICITY: Not available. Repeated or prolonged exposure is not known to aggravate medical condition.

Section 4. First Aid Measures

Inhalation: If symptomatic, move to fresh air. Get medical attention if symptoms persist.

Eye Contact: Any material that contacts the eye should be washed out immediately with water for at least 15 minutes. If easy to do, remove contact lenses. Get medical attention promptly if symptoms occur after washing.

Skin Contact: Wash skin with soap and water. Cover the irritated skin with an emollient. Get medical attention promptly if symptoms occur after washing.

Ingestion: Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately. Loosen tight clothing such as a collar, tie, belt or waistband.

Serious Ingestion: Not available.

Section 5. Fire Fighting Measures

Flammability of the Production: May be combustible at the high temperature.

Auto-Ignition Temperature: Not available.

Flash Points: Not available.

Flammable Limits: Not available.

Production of Combustion: Not available.

Fire Hazards in Presence of Various Substances: Slightly flammable to flammable in presence of heat.

Explosion Hazards in Presence of Various Substances: Risk of explosion of the product in presence of mechanical impact: Not available. Risk of explosion of the product in presence of static discharge: Not available.

Fire Fighting Media and Instructions:

SMALL FIRE: Use dry chemical powder. LARGE FIRE: Use water spray, fog or foam. Do not use water jet.

Special Remarks on Fire Hazards: Not available.

Special Remarks on Explosion Hazards: Not available.

Section 6. Accidental Release Measures

Personal Precautions: Wear appropriate personal protective equipment.

Small Spill: Use appropriate tools to put the spilled in a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and dispose of according to local and regional authority requirements.

Large Spill: Use a shovel to put the material into a convenient waste disposal container. Finish cleaning by spreading water on the contaminated surface and allow to evacuate through the sanitary system.

Section 7. Handling And Storage

Handling: Minimize dust generation and accumulation.

Storage: Store in dry, well ventilated place on pallets wrapped in starch foil, away from chemical and material with specific odors.

Section 8. Exposure Controls / Personal Protection

Exposure Limits: No exposure limits noted for ingredients.

Engineering Controls: Use adequate ventilation to keep airborne concentrations low.

Personal Protective Equipment

Eyes Protection: Risk of contact: Wear approved safety goggles

Hand Protection: It is a good industrial hygiene practice to minimize skin contact.

Skin Protection: Long sleeves are recommended.

Clothing: Wear appropriate protective clothing to prevent skin exposure.

Hygiene measures: Routinely wash work clothing and protective equipment to remove contaminants.

Section 9. Physical And Chemical Properties

Physical State: Powder

Color: White

Odor: Odorless

Melting Point: No data available

Moisture: max 14%

Freezing Point: No data available

Boiling Point: No data available
Flash Point: No data available
Explosion Limits: Lower: No data available
Explosion Limits: Upper: No data available
Solubility in cold water: Insoluble
Molecular Formula: (C₆H₁₀O₅)_n

Section 10. Stability And Reactivity

Chemical Stability: Stable under normal temperatures and pressures.
Conditions to Avoid: Incompatible materials.
Incompatible Materials: Strong oxidizing agents.
Hazardous Decomposition Products: No data available

Section 11. Toxicological Information

Specified Substances

Acute Toxicity

Test Results: No test data available for the ingredients.

Listed Carcinogens: None

Product Information

Acute Toxicity

Test Results: No test data available for the product.

Other Acute: No additional adverse health effects noted.

Chronic Toxicity: None known.

Section 12. Ecological Information

Ecological Information: No specific data or information available regarding environmental impact.

Persistence and Degradability: No data available
